I sometimes feed football and basketball teams with whole(18") grinders because they are very filling and the teams love them. The half(9")grinders are the perfect size for most men's and women's teams, the half grinder prices are listed above. **If there is not anything in the packages listed on this page that suites you, we do offer a 10% discount for anything off our regular menu.** I offer the following choices for chips: Sun Chips, Plain Lays, Plain Baked Lays and Doritos. I offer the following choice of cookies: chocolate chip and oatmeal raisin. During the fall, you can substitute a fresh apple from the local apple orchard for a cookie.
